⚠ Recommendation:

The mirror surface is protected by a layer of film. Take care not to scratch the surface of the mirror during installation. If possible, please remove film after installation.

Installation:

Caution:

(1) **Periodically clean:** The mirror must be cleaned carefully by a soft cloth dampened with water. Remove excess water using a soft tissue and leave to air-dry.

(2) **Precaution:** Do not use any harsh chemicals on the mirror surface, as it could cause it to tarnish.
